LAUNCH OF ORANGE DAY CAMPAIGN

The Department of Social Development has learnt with shock that a Mqanduli reverend, his dear wife and four children were killed in a fire at 2am this morning.

“We would like to send our sincere condolences to the family of the deceased, we are currently respecting the South African Police Service and Pathologist teams on the scene, but as soon as the scene is cleared, social workers will exhaust every psycho- social intervention possible”- said MEC Siphokazi Lusithi

Older persons are our pride and heritage additionally, the department is the custodian of Children, this has left a gut-wrenching feeling.

The Premier has mandated the Department of Social Development to lead and drive campaigns that will assisted in changing the trajectory of social ills engulfing our society for the better.
