Consequently, majority of women are subjected to economic and social deprivation which had been exacerbated by legacy of colonialism and apartheid. Therefore, it is of great significance that all endeavors to ameliorate the socio-economic conditions of women are geared towards redressing this historically induced discrepancy by ensuring that social and economic opportunities are biased towards women. The Department of Social Development has identified the need to provide indigent girls in quintiles 1-5 schools with sanitary pads:

- Safe, hygienic, protective sanitary products and information on menstrual health management.
