LEGISLATION, POLICIES, PROCEDURES, LEGISLATION & OTHER DOCUMENTATION (i.e. SOPs)

| Document or Process Name | | Effective Date (if applicable) |
|--|---|--------------------------------|
| The Constitution | The Constitution of the Republic of South Africa, Act No 108 of 1996, as amended, regulates procurement through Section 217 and determines that: | 1996 |
| | "217 (1) When an Organ of State in the national, provincial or local sphere of Government, or any other institution identified in national legislation, contracts for goods or services, it must do so in accordance with a system which is fair, equitable, transparent, competitive and cost-effective. | |
| | (2) Subsection (1) does not prevent the Organs of State or institutions referred to in that subsection from implementing a procurement policy providing for – | |
| | Categories of preference in the allocation of contracts; and | |
| | The protection or advancement of persons, or categories of persons, disadvantaged by unfair discrimination. | |
| | (3) National legislation must prescribe a framework within which the policy referred to in subsection (2) must be implemented." | |
| The Public Finance Management Act (PFMA) | The PFMA, Act No 1 of 1999, as amended by Act 29 of 1999, gives effect to and reiterates the Constitutional requirements of Section 217 quoted above and is primary in the regulation of Financial Management. It sets out broadly the requirements for the procurement and provisioning system to be in place and allocates responsibilities attached thereto. | 1999 |
| | The Act stipulates that in contracting for goods and services, and the disposal and letting of state assets, including the disposal of goods no longer required, the Accounting Officer will develop and implement a system, which is fair, equitable, transparent, competitive and cost-effective. | |
| | o Section 76(4)(c) of the PFMA determines inter alia that: | |
| | o The National Treasury may make regulations or issue instructions applicable to all institutions to which the PFMA applies concerning the determination of a framework for an appropriate procurement and provisioning system. | |

| | The policy strategy has as a goal the uniform implementation of Government's procurement reform initiatives and compliance with minimum norms and standards in such a manner that the principles of | |
|-----------------------------------|---|--|
| 2003 | s in Government was approved by 13. | Policy to guide uniformity in procurement reform processes in government |
| | o Regular assessment of supply chain performance. | |
| | o Risk Management. | |
| | o Disposal Management. | |
| | o Logistics Management. | |
| | o Acquisition Management. | |
| | The SCM system to be implemented must be fair, equitable, transparent, competitive and cost effective; be consistent with the PPPFA and BBBEE Act and must provide at least for the following: O Demand Management. | |
| | The Accounting Officer must ensure that Treasury Regulation 16A is complied with when dealing with Supply Chain Management to ensure the establishment and implementation of an effective and efficient Supply Chain Management Unit within the office of the CFO, as an integral part of their financial system. | |
| | Supply Chain Management | |
| | The Accounting Officer must ensure that Treasury Regulation 16 is complied with when goods or services are procured through public private partnerships or as part of a public private partnership. | |
| | Public Private Partnerships | |
| | The Department shall apply the Treasury Regulations issued in terms of the PFMA as it pertains to supply chain management. It serves as a formal requirement for departments, to ensure the establishment and implementation of an effective and efficient SCM system. | Treasury Regulations Issued in terms of the PFMA |
| Effective Date (if applicable) | | Document or Process Name |
| | | |

| | The Act also regulates that the evaluation processes are conducted in a fair, justifiable and transparent manner. | |
|-----------------------------------|---|---|
| | The Act provides for the implementation of a preference system in the allocation of contracts for categories of service providers and the promotion of goals, including socio-economic goals, to advance the interest of persons disadvantaged by unfair discrimination on the basis of race, gender or disability and implementing the programmes of the Reconstruction and Development Programme (RDP). | |
| 2000 | The Preferential Procurement Policy Framework Act (PPPFA), Act No 5 of 2000, was promulgated to give effect to Section 217(3) of the Constitution by providing a framework for the implementation of the procurement policy contemplated in Section 217(2) of the Constitution. | The Preferential Procurement Policy Framework Act |
| | Currently 10 practice notes have already been issued covering a variety of topics. All practice notes issued from time to time must be taken into account and adhered to. | |
| | The SCM regulations in terms of the PFMA empower National Treasury to issue practice notes to ensure minimum norms and standards within Government. | |
| | All documents relevant to SCM are available electronically on National Treasury's web page http://www.treasury.gov.za /organisation/ specialist functions/ supply chain management: norms and standards. | National Treasury Practice Notes |
| | Regarding insurance, organs of State should either insure for procurement related physical risks, establish risk management programmes or make advance provision for losses associated with such risks, within the scope of the provisions of the Treasury Regulations. Suitable arrangements should also be made to ensure that insurance related excesses do not cause the failure of SMME's. | |
| | In terms of this policy strategy, Accounting Officers are required to establish and implement a Supply Chain Management function that promotes sound financial management and uniformity in all spheres of Government. | |
| | cooperative governance are observed. | |
| Effective Date (if applicable) | | Document or Process Name |

| | The Act provides for miscellaneous offences relating to possible conflict of interest and other unacceptable conduct such as acquisition of private interest in contract, agreement or investment of a public body. | |
|-----------------------------------|--|---|
| | The Act regulates offeraces in respect of corrupt activities relating to contracts, activities pertaining to acceptance or offering of any gratification and the improper influence of another person as well as offences in respect of corrupt activities relating to procuring and withdrawal of tenders and auctions. | |
| 2004 | The Department will adhere to the directives contained in the Prevention and Combating of Corrupt Activities Act, Act 12 of 2004 as it affects the supply chain process. | The prevention and combating of corrupt activities act |
| | Transformation will achieve a change in the racial composition of ownership and management structures of existing and new enterprises. | |
| | Economic transformation will be promoted through preferential procurement in order to promote meaningful participation of black people including women, workers, youth and people with disabilities and people living in rural areas, in the economy. | |
| | The Department will adhere to the directives contained in the Broad Based Black Economic Empowerment Act as it affects the procurement process. | |
| 2003 | The Broad Based Black Economic Empowerment Act (BBBEE Act), Act No 53 of 2003, provides the framework for the promotion of black economic empowerment, the establishment of a balanced scorecard and the publication of transformation charters. A supporting strategy has also been published. Draft codes of good practice have also been issued for comment. These codes could include qualification criteria for preferential procurement and other economic activities. | Broad Based Black Economic Empowerment Act |
| | This is the enabling mechanism of the PPPFA mentioned above. It sets out the formulas for the points system and stipulates the rules and procedures governing the preferences that might be claimed in terms of this Act. | The Preferential Procurement Policy Framework Act Regulations |
| | There is currently a process underway to ensure that the PPPFA and the BBBEE Act is aligned. | |
| Effective Date (if applicable) | | Document or Process Name |

| | Facilitate national market access for products and services of small business. | |
|-----------------|---|--|
| | The main functions of Ntsika are inter alia: to consult with any organ of government, the NSBC or a service provider in order to inter alia: | |
| 1996 | The National Small Business Act, Act No 102 of 1996, as amended, establishes the National Small Business Council (NSBC) and also the Ntsika Enterprise Promotion Agency (Ntsika). | The National Small Business Act |
| 2002 | The State Information Technology Agency (SITA) Act, Act No 88 of 1998, as amended by Act 38 of 2002, requires that SITA must act as the procurement agency for the Department's information technology requirements. | State Information Technology Agency Act |
| | These targets must be incorporated into each department's strategic goals and objectives. | |
| 1 | The PGDP provides for a number of quantified targets for growth and development in the Eastern Cape for the period 2004 until 2014. | |
| 2014 | The Province developed the Provincial Growth and Development Plan (PGDP), which set out all the objectives to be achieved by Departments by the year 2014. | Provincial Growth and Development Plan |
| | The Report describes the principles of risk management, ethical conduct, black economic empowerment and social investment prioritization and spending. | |
| | The tests of fairness, accountability, responsibility and transparency to all acts or omissions, and be accountable to the Department, but also responsive and responsible towards the Department's stakeholders must be applied. | |
| | The Report concludes that successful governance requires companies to adopt an inclusive approach and there must be greater emphasis on the sustainable or non-financial aspects of its performance. | |
| 2002 | The Department will subscribe to the Code of Corporate Practices Conduct in all material respects as it affects procurement. | The King Report on Corporate Governance for South Africa, 2002 |
